**WHERE: NASHVILLE CONVENTION CENTER
601 COMMERCE STREET, NASHVILLE, TN 37203**

**WHEN: TUESDAY, SEPTEMBER 8, 2009
5:00-7:00 P.M.**

The Metropolitan Government of Nashville and Davidson County (Metro), in cooperation with the Tennessee Department of Transportation (TDOT) and Federal Highway Administration (FHWA), announce the availability of the Supplemental Environmental Impact Statement (SEIS) for the proposed Gateway Boulevard extending from 4th Avenue to 8th Avenue in the southern portion of Downtown Nashville. The purpose of the hearing is to provide the public an opportunity to comment on the SEIS and the proposed project prior to completion of the final environmental document.

The proposed new urban boulevard would extend from the existing western terminus of Korean Veterans Boulevard (formerly known as Gateway Boulevard) at 4th Avenue westward to 8th Avenue, for a distance of approximately 0.31 mile. The SEIS identifies the proposed alternatives being considered to develop the boulevard.

The SEIS on this project was approved for circulation by the FHWA on July 31, 2009. Copies of the document are available for public inspection at the locations listed below.
